

A Baby Signs® Program

Sign, Say & Play® Classes are a fun way for parents/guardians and young children (0-4) to learn signs together to enhance early communication. This 6-week play class series helps families to learn signs through theme-based songs, games, books, and activities. Each class includes a parent education component with important concepts drawn from Drs. Acredolo and Goodwyn's book: *Baby Minds*, helping parents to learn more about their child's cognitive literacy and language development.
